WORKSHEET · LEADING DESIGN · GROWTH AND PERFORMANCE METRICS

Growth Definition Worksheet

Define what growth means for each person in five dimensions, so people can see themselves growing even when the next level is not on the table.

How to use it. Fill in one page per person, with them, after the one-pager. Revisit it every quarter and make the progress visible.

1. The person

Name, role and current rating

What growth means to them
In their words

2. Five dimensions of growth

DIMENSION	WHAT IT COULD MEAN FOR THIS PERSON	THE ACTION WE WILL TAKE	HOW THEY WILL SEE IT	BY WHEN
Financial				
Career				
Emotional				
Hard skills				
Soft skills				

3. If the next level is not the right step this cycle

What growth still looks like
Scope, visibility, learning, recognition, a review of reward, a stretch role

4. Making growth visible

- [ ] We wrote the plan together
- [ ] They have it in writing
- [ ] We review it every quarter
- [ ] I tell them when I see progress, with the evidence

How I will show progress

The moment, the format, the words
